Languages	Describing yourself and others, talking about family and friends. Following a model to improve pronunciation and sentence structure. Writing about yourself as a spy and about your nemesis.		Describing where you live and learning about places in the world where French is spoken. Talking about how you might eat, drink, travel and have fun.		Examining a familiar story (Le Gruffalo) and retelling it in simple French using previous knowledge. Developing reading skills to precise meaning. Comparing French to other languages we may learn in secondary school.
