

# Advent in Year 3

## Charity Programme Competition

Year 3 worked to support the EYFS and KS1 children with their nativity productions by creating artwork for programmes that would be sold at their performances.

The money raised by the sale of the programmes and tickets would go to benefit the Francis House children's charity. £350 was raised to help poorly children.

This activity also gave us chance to reflect on the Christmas story. We learned why Bethlehem was so busy when Mary and Joseph arrived, and we learned more about Jesus' special visitors. Most importantly, we learned why Jesus came as a baby; to live the human experience to the full, and to show us that he understands the challenges of human life.
