## The Dignity of the Human Person

**We are all equal in God's eyes and loved**

In Year 3, we explored the human person as a special, unique creation, loved by God. We thought about what makes us different from one another, as well as what makes us the same, and we pondered on why God would make us all so different if he loves us all the same.

We created these double-sided figures to express both our individuality, and the things that link us to other members of God's family.
