

MLK DAY

Martin Luther King Jr gives his inspirational speech

In Class 6 we used drama to explore the importance of Martin Luther King Jr Day, as well as the significance of the Civil Right movement of which he we such an important leader.

We also looked at two more important moments from this time in history: Rosa Parks' refusal to give up her seat on a segregated bus, and Ruby Bridges' first day at a desegregated school, where she had to stand up to the abuse of adults at the age of six.

Ruby Bridges braves an angry crowd at school

We worked to understand the sacrifices that people like this made to make our world a fairer place, and we pledge to do our part to ensure equality for all.

Rosa Parks refuses to give up her seat
