

# St. Richard's RC Primary School

Home Learning for Reception pupils from 18<sup>th</sup> - 29<sup>th</sup> May 2020

Stay fit and healthy by starting every day doing PE with Joe Wicks

Join him at 9.00 a.m. for 20 minutes.

<https://www.youtube.com/watch?v=Rz0go1pTda8>

## Religion

On the 21<sup>st</sup> of May we celebrate the Ascension of Jesus, when he rose up to Heaven.

You can listen to the story on youtube: <https://www.youtube.com/watch?v=7wLrw60bY>

(or search "Jesus Returns To Heaven - The Ascension" by 'Kids play and learn')

Can you draw a picture of Jesus rising up to Heaven? He's sitting beside God!

Jesus said to his friends one day,  
"Very soon I must go away,  
Don't be sad because  
I will come back again!  
Jesus told his friends:  
"Tell my story everywhere."  
And then as his beloved friends  
were standing there  
Jesus went up, up, up  
Into the sky!

## Maths

Complete the task on Mathletics each day. Then go onto

<https://2simple.com/landing-pages/free-access-parent/>

Complete 5 activities per 1 day

Focus- Shapes. Can you use your maths eyes to find these shapes around your house?

Square  
Circle  
Cylinder  
Cube

What other shapes can you find?

### Week 2

Then access purple Mash- mini Mash and enter Math City.

[https://www.purplemash.com/#app/games/mc1\\_minimash](https://www.purplemash.com/#app/games/mc1_minimash)

Complete activities in Math City.

**Want Extra?** Sign up for 'The Maths Factor' with Carol Vorderman  
<https://www.themathsfactor.com/>

## English

Hundreds of free e-books!

[https://www.oxfordowl.co.uk/user/sign\\_up.html](https://www.oxfordowl.co.uk/user/sign_up.html)

Read for at least 30 minutes per day together

Listen to stories

<https://www.worldofdavidwalliams.com/elevenses/>

Use purple mash   
Go to English then phonics. Practise phase 2 and 3 sounds. Practice reading and writing phase 2 and 3 words.

Focus text- The Gruffalo  
Can you describe the Gruffalo? Write a list of all the things you know about the Gruffalo.

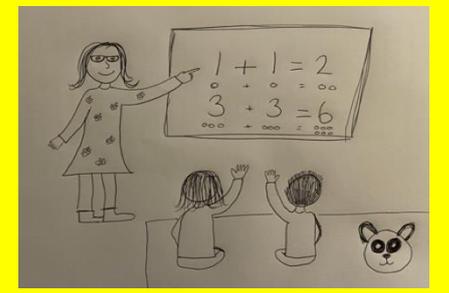

## Spring project

Let's think about what you would like to do when you are all grown up! Do you want to be a nurse or lollipop-person like the people that help us? Or would you like to be a footballer? Or a builder? You can be whatever you want!

<https://www.twinkl.co.uk/>

Can you draw a picture of you now, as a child, and a picture of you all grown up doing your dream job?

I'm going to draw myself teaching my lovely class!

There are lots of songs about growing up! Try learning one of these!

<https://www.twinkl.co.uk/resource/t-t-253282-growing-up-songs-and-rhymes-resource-pack>

Parents, please register for the websites listed in order for your child to access them. They are free but will need some details such as an email address from you.

**Our switch to at home learning has been a big change for all of us!  
Please remember that not everyone will react to this change in the  
same way.**

**Kids' Sadness About COVID-19  
May Look Like:**

<b>Anger</b> "This stupid remote doesn't work!"	<b>Resisting the "new order"</b> "I'm not doing four math problems! I'm only doing one!"	<b>Tiredness</b> "I don't want to go for a walk. I'm too tired!"
<b>Numbing Out</b> ("Just 30 more minutes on the iPad!")	<b>Displaced frustration</b> "I didn't want lasagna for dinner. I wanted tacos!"	<b>Boredom</b> "I'm bored" = code for "I'm sad"

**Here are some fun ways to boost your child's emotional health:**

**Art (a healthy outlet for emotions)**

**Cooking (boosts focus)**

**Boards games (social skills are modelled and practiced)**

**Writing stories/jokes (improves executive functioning skills)**

**Reading (increases empathy and self-awareness)**

**Outdoor nature walks (reduces stress levels)**

**Sing/play an instrument (releases 'feel good' endorphins)**

**Puzzles (exercise problem solving skills)**

**Dancing (physical movement reduces depression)**
