Maths

NCETM: Online maths lessons

<https://www.ncetm.org.uk/resources/54454>

Scroll down to:

Lower Key Stage 2

Click on: Lesson videos

- Follow the sequence of lessons 1-6.
- Most lessons are 15 to 20 minutes long, each ending with suggested follow-up tasks.

Complete the task that has been set for you on Mathletics each day. Then go onto

<https://2simple.com/landing-pages/free-access-parent/>

Click on mathematics

Complete a range of activities (1 per day):

As above for Mathletics, then use 'Hit the Button' for quick-fire practice

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Want Extra?

- Try IXL daily activities <https://uk.ixl.com/math/>
- Join Gareth Metcalfe's **daily maths lessons.** <http://www.iseemaths.com/home-lessons/>

English

Research a famous person. This could be a sports person, a scientist, a writer, an artist or something else!

- What were/are they famous for?
- Write a detailed paragraph explaining what you discover.
- Then try draw a portrait of them

Hundreds of free e-books!

https://www.oxfordowl.co.uk/user/sign_up.html

Read for at least 30 minutes per day and continue to take quizzes on accelerated reader.

Use purple mash Go to English then SPAG. Practise spelling using the quizzes for 20 mins each day and then complete the grammar games under the icons 'Flying High' and 'Soaring Eagles' (2 per day).

May is the Month of Mary

PSHE

Healthy friendships

- Think about the things that make a good friend. Can you describe a good friendship you have with someone? Why is it a good friendship? What things do they do that help it to be a good friendship?
- Answer these questions
- Make a list of things that make a good friend
- You could write a letter and post it to one of your friends to remind them how much you appreciate them!

The month of May is dedicated to Mary

Honour Mary by Praying The Holy Rosary.

Make a May Altar For Mary: You can make a May altar in your home, and this can be fun and simple to do!

Have a look for some ideas here:
