## Religion

Throughout the year we celebrate lots of saints, including Jesus' friends the apostles.

On the 3<sup>rd</sup> of July we celebrate Thomas who was sometime called doubting Thomas!

He can teach us about having hope in times of fear.

Read John 20:19-31 (NIV) Jesus Appears to His Disciples.

We believe that Jesus came back even though we did not see because we have FAITH!

Think of how you see Jesus through peoples actions and behaviour.

Dear God,  
Thank you for the life of Jesus  
And thank you for your promises  
We believe in you and trust you  
Even when we can't see you  
Help us not to be afraid  
And to remember that you watch over us  
Thank you for your love  
We love you, God!  
In Jesus name, Amen!

Maths	English	Summer project
<p>Complete the task on Mathletics each day. Then go onto </p> <p><a href="https://2simple.com/landing-pages/free-access-parent/">https://2simple.com/landing-pages/free-access-parent/</a></p> <p>TASK 1 – shape Let's recap our shape and pattern skills. Can you play the game and complete the pattern? <a href="https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns">https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns</a></p> <p>TASK 2 - sharing Curious George is in a bit of a muddle, he is really struggling to share fairly. Choose your favourite emotion and write a sentence about why it is your favourite.</p> <p><u>Super Challenge</u> Write 2 or three sentences. Can you use some conjunctions such as 'and' or 'because' in your sentence? Remember to use capital letters, finger spaces and full stops! "My favourite emotion is happy because it makes me smile."</p> <p>Phonics <a href="https://new.phonicsplay.co.uk/">https://new.phonicsplay.co.uk/</a> username: march20 password: home Play phase 2 and phase 3 games.</p>	<p>Have a look at the summer learning grid on the next page!</p> <p>It will be so much fun to do so many summery activities with an adult!</p> <p>Learning in the summer can be lots of fun but remember to be safe. It's getting very hot so we must wear <b>sunscreen</b> and <b>hats</b> when we can and remember to drink lots of <b>water</b>.</p> <p><u>Super challenge</u> You can make your own grid. Think of all the things you love to do, and make your own grid to complete and colour!</p>

Parents, please register for the websites listed in order for your child to access them. They are free but will need some details such as an email address from you.

<b>Name:</b>		<b>Class:</b>	
Take photographs of flowers.	Gather twigs, branches, leaves, pebbles and other natural materials to make a life-sized you!	Design a summer postcard.	Go on a hunt for plants and flowers.
Plant some seeds and take care of them as they grow.			
<b>Colour in the boxes</b>  <b>to show which</b>  <b>activities you have done</b>			
Make a windmill and take it outside on a breezy evening to make sure that it spins properly!			Make some ice lollies using diluted juice, lollipop sticks and a freezer. If you're feeling adventurous, add some more ingredients! You could add fresh fruit or yoghurt!
Use chalk to draw a game of hopscotch.	Make a wind chime.	Practise your spelling words by chalking them onto the ground.	Create a bird feeder out of natural or recyclable materials.
			Make a butterfly garden.
			Play with a Frisbee.

**Our switch to at home learning has been a big change for all of us!  
Please remember that not everyone will react to this change in the  
same way.**

**Kids' Sadness About COVID-19  
May Look Like:**

<b>Anger</b> "This stupid remote doesn't work!"	<b>Resisting the "new order"</b> "I'm not doing four math problems! I'm only doing one!"	<b>Tiredness</b> "I don't want to go for a walk. I'm too tired!"
<b>Numbing Out</b> ("Just 30 more minutes on the iPad!")	<b>Displaced frustration</b> "I didn't want lasagna for dinner. I wanted tacos!"	<b>Boredom</b> "I'm bored" = code for "I'm sad"

**Here are some fun ways to boost your child's emotional health:**

**Art (a healthy outlet for emotions)**

**Cooking (boosts focus)**

**Boards games (social skills are modelled and practiced)**

**Writing stories/jokes (improves executive functioning skills)**

**Reading (increases empathy and self-awareness)**

**Outdoor nature walks (reduces stress levels)**

**Sing/play an instrument (releases 'feel good' endorphins)**

**Puzzles (exercise problem solving skills)**

**Dancing (physical movement reduces depression)**
