

Evaluation of Impact of PE Premium Funding 2019-2020

St Richard's Received £19,630 in 2019-2020

Key Indicator	Key achievements/What Worked Well	Allocated Funding	Sustainability - Actions to continue into the next academic year 2020-2021
<p>Increased confidence, knowledge and skills of all staff in teaching PE and sport</p> <p>Inset for EYFS staff to raise confidence and quality of teaching and learning in PESSPA</p> <p>Inset for PE Lead to raise skills and confidence in leading Physical Education School Sport Physical Activity (PESSPA) throughout the school</p> <p>Inset for KS 2 staff in orienteering and outdoor learning activities to raise confidence and quality of teaching and learning in</p>	<p>Miss Cartney attended a 5 part Improving Physical Activity in the Early Years course run by MPETT. Miss Cartney was upskilled in the teaching and delivery of high quality lessons in the Early Years. She is working with other staff in the Early Years to disseminate what she has learned from the course.</p> <p>The PE lead was released to attend Manchester's 3 half-day training for PE leads. PE Lead is kept up to date in recent developments in PESSPA, including attended a virtual INSET on providing Covid safe PE. PE lead drew up new risk assessment s for Covid safe PE lessons. PE lead was available to provide support and resources to any member of staff in the teaching of PESSPA.</p>	<p>INSET provided by MPETT £2,500</p> <p>INSET provided by Dan Riley £4,067</p>	<p>Miss Cartney will now be able to lead staff in the teaching of PESSPA in the Early years, which will in turn result in higher quality lessons.</p> <p>PE Lead will continue to attend any training in the delivery of PESSPA next year with particular emphasis on the impact of Covid on PE lessons and activities.</p> <p>Year 6 staff will deliver some orienteering and active maths lessons to encourage cross-curricular links in PE and a more active way for children to learn.</p> <p>Dan Riley may be brought in next year to work with staff from other year groups.</p>

<p>Outdoor Adventure Activity (OAA)</p>	<p>Dan Riley worked with Year 6 staff for 4 days on the delivery of orienteering and outdoor learning lessons. 1 day had to be postponed because of closure of school because of Covid. The Year 6 staff now feel confident in delivering of OAA and bringing in more physical activity to maths lessons.</p>		
<p>The engagement of all pupils in regular physical activity</p> <p>Improvement in lunchtime sporting provision and activity levels.</p> <p>Maintaining a variety of after school clubs for children of all ages.</p> <p>Intervention strategies for children at risk of obesity and inactive lifestyles.</p>	<p>The KS 2 playground is zoned for 3 different sports each lunchtime supervised by a lunchtime sports coach assisted by 15 sports leaders a week. There is a weekly timetable so each year group has the opportunity to experience a different sport each day. The Sports Council keep a register of activity for each child in their class. We now have an average of 105 children taking part in organized sport each lunchtime. The register also helps us identify inactive children for intervention.</p> <p>The school takes part in the Active Manchester sports scheme, which provides a different after school</p>	<p>Lunchtime coach £6,008</p>	<p>The lunchtime coach will continue to be employed next year to manage and enhance the running of the lunchtime KS 2 sports activities.</p> <p>Next year there will be a focus on developing the activity levels in the KS 1 playgrounds. LOs will undergo training in the sporting activities for younger children and will run specific sporting activities at lunchtimes in a similar scheme to the one operating successfully in the KS 2 playground.</p> <p>The school will again bring in Active Manchester to run after-school sports clubs.</p>

	<p>sport each half -term open to KS 2 children. There is also an after-school football club once a week for KS 2 children.</p> <p>There is a Change4Life intervention club run by Miss McKnight aimed at inactive children who attended 2 Change4Life festivals at Platt Lane run by the MPEA. The summer term club could not run because of the school closure.</p>		<p>The school will continue to run an active Change4Life program.</p>
<p>The profile of PESSA being raised across the school as a tool for whole school improvement</p> <p>New School Sports Council set up to give pupils a voice in PESSPA</p> <p>Physical activity to be introduced to other areas of the curriculum</p> <p>The school to retain the Sportsmark Gold award from 2018-2019</p>	<p>Sports Council playing important role in school eg keeping register of lunchtime sports, consultation on Active Sports choices.</p> <p>Training in outdoor maths and science for Yr 6 staff by Dan Riley. Active Schools heatmap of school timetable drawn up by PE Lead on Active Schools website to identify areas of low activity.</p> <p>Regular presentations of certificates for school teams at assemblies. Fortnightly updates for parents of PE news on the school website.</p>	<p>£200 for certificates and awards</p>	<p>A new Sports Council will be set up in Sept. 2020.</p> <p>All co-ordinators will be asked to think about ways of boosting activity levels in their curriculum areas.</p> <p>The school website and the school noticeboard to kept up to date with PE news.</p> <p>Sportsmark Gold will be achieved for year 2020-21.</p>

	<p>School sports noticeboard kept up to date.</p> <p>School was again fulfilling all criteria for Sportsmark Gold when school closed. School retains the Gold award.</p>		
<p>Increased participation in competitive sport</p> <p>Children given opportunity to compete against other children within school (Level 2) and with other schools (Level 3)</p>	<p>Each lunchtime there are small - sided games in football, basketball and sometimes cricket organized by the lunchtime coach involving over 100 children.</p> <p>In most games lessons, children are given the opportunity to play small-sided games in the sport covered in that lesson. In Key Stage 2, each half-term ends in a class house competition in the sport covered in that half-term. Altogether this involves 240 children each half-term. All details are entered into the Your School Games website.</p> <p>The school also has a very active inter-school competitive sport programme. In the first 2 terms we entered 16 inter-school competitions in 7 different sports.</p>	<p>£2,250 for PE equipment £900 for MSSPE and YST membership</p> <p>£4,654 for PE Lead</p>	<p>Next year will be very challenging because of the restrictions placed on competitive sport due to the Covid virus.</p> <p>Personal challenges in PE activities will be used as a way of bringing some competition to sport eg how many speed bounces can be done in 30 secs? This will allow children to improve their own scores and compete against other children's scores.</p> <p>Inter-school competition – Manchester PE Association are also setting up virtual competitions where children's performance can be compared to other schools.</p>

	This would have been more without the closure for Covid.		As soon as real competitions and tournaments start up, the school will be heavily involved.
<p>Broader experience of a range of sports and activities offered to all pupils</p> <p>Continue to develop the curricular and extra-curricular programmes to provide as wide a range of sports as possible</p> <p>Develop links with outside providers and clubs on accessing new sports</p>	<p>Active sports again brought in to provide one new sport for each half-term.</p> <p>MUFC and Manchester tennis centre brought in to give lessons to KS 1 children.</p> <p>Mr Sullivan takes a group to Manchester Climbing Centre each week.</p> <p>Some clubs eg Dodgeball, Manchester Magic did not take place because of the early closure of the school year.</p>		<p>Due to Covid restrictions providing a wide range of sports next year will be particularly challenging.</p> <p>Initially, most activities will be based on personal challenges. The YST and Manchester's PE Association are providing guidance for next year and there will be web-based training for PE Leads.</p>

Total Expenditure – £20,579

Swimming Report: Children Leaving Year 6 in July 2020

Pupils who could swim 25 metres	81%
Pupils who could swim with a range of strokes	24%
Pupils who could self-rescue	50%
