Religion

Research and find out as much as you can about the following: Lent, Shrove Tuesday, Ash Wednesday and Easter. Why is Easter a special time? How do we celebrate Easter?

Remember to read the Wednesday Word online if you can at www.wednesdayword.org

Projects – put 100% effort in and present your work neatly and creatively!

'My family'

Create your very own family information booklet.

- A front cover
- What are your parents' names?
- What are your Grandparents names?
- Do you have any brothers or sisters?
- Where do you live?
- Where did your Grandparents live?
- Can you find an interesting fact about what your name means?
- Look at a picture of you as a baby. How have you grown and changed?
- Think about all the things you can do now that you couldn't do then.
- What else can you include about your unique family?

Art and Craft Ideas

Can you draw/paint a picture of your family? Can you create your own family tree? Can you draw a picture of you as a baby and a picture of you now? How have you changed?

'Changes in seasons'

Create a cover page with all of the things you love about each season. Then, find out as much information about the following:

- How do we find out what the weather will be like today?
- How does the weather change throughout the year?
- How do we know when it is Spring?
- What is a Harvest Festival?
- How are the tree's changing?
- What does it feel like when the wind blows?
- What colours and patterns can you see in the Spring?
- What animals do we see in Spring?
- Can you name some mother and baby animals?

Art and Craft Ideas

Choose one of the animals you have researched and draw a picture of them and their young. Where do they live? What food do they eat? Can you draw their life cycle?

WIN PRIZES!

Bring your project back to school with you when we can safely return
We can't wait to see them! **Miss Cartney and Miss Tester**
