Religion

LENT 2021

For Lent 2021, our theme is **Pray, Stop, Go**:

Pray – explore new and different ways of praying **Stop** – stop doing some things in order to make space for others **Go** – Reach out to others with love

HOLY WEEK

Learn about Easter, the most important festival in the Christian Calendar at BBC Bitesize (KS1)

<https://www.bbc.co.uk/bitesize/topics/ztkxp4/articles/z4t6rj6>

<https://www.bbc.co.uk/teach/class-clips-video/religious-studies-ks1-the-christian-story-of-easter/zhg47h>

The Easter Story Video - This short video on YouTube also tells the story of Easter.

Think about the layout of each page you produce – make each one different if you can.

Projects – put 100% effort in and present your work neatly and creatively!

Science Project

‘Animals including Humans’

Continue to work on your animal project from before half term.

Complete any activities that you haven't already done so.

Try as many of the following activities as you can:

- Explore animals and their babies, including humans
- Name the three things that humans need, to stay alive.
- Think about pets and how we look after them
- Generate questions about a pet they have chosen.
- Give examples of healthy and less healthy food.
- Make a fruit cocktail or a superfood salad

- What is healthy about our diet?
- What exercise do we do?
- Name different ways in which humans look after themselves – how do they keep themselves clean?

Bring your project back to school with you when we can safely return.

We can't wait to see them!

Mrs Ormshaw & Miss McKnight

Geography Project

‘Magical Mapping’

Design an eye-catching front cover for your project, then complete as many of these activities as you can:

- Look at the name and shape of our planet.
- Name the seven continents of the world
- Name the five oceans of the world
- Use a map to locate the North and South poles.
- Use Google Earth to locate the continents of the world.
- Where in the world is hot?
- Where in the world is cold?
- Draw a compass and label the points – North, South, East and West
- Draw a map of the area in which you live – plan a route
- Can you draw and label map symbols
- Name the key features of an atlas and begin to locate a range of human and physical features of the UK.
- Make comparisons between different types of maps
- Identify a range of human and physical features in aerial photographs.
- Use a range of key geographical vocabulary to describe and explain.
- Compare and contrast the key features of different places

ART & CRAFT

Design and make your own street, town, village or city
