

# St.Richard's RC Primary School

Spring Two 2021 Half-termly Home Learning for Year 4 pupils  
(Daily lessons also to be completed on Google Classroom)

Stay fit and healthy doing PE with Joe Wicks. Join him LIVE at 9.00 am every Monday, Wednesday and Friday.

<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

You can also relax with some 'Cosmic Yoga' on YouTube.

## Religion

Wednesday 17<sup>th</sup> February is the beginning of Lent. Lent will lead us right up to Easter Sunday. Carry out some research on the following events: Lent, Holy Week including Palm Sunday, Maundy Thursday, Good Friday and Easter Sunday.

Remember to read the Wednesday Word online if you can at [www.wednesdayword.org](http://www.wednesdayword.org)

**Projects – put 100% effort in and present your work neatly and creatively!**

### Art Project Claude Monet Vincent Van Gogh

#### Begin with Claude Monet

- Research Claude Monet and find a landscape painting you like.
- Find out the name and the date it was painted.
- Describe the colours and what you see.
- You could try recreating it.
- Create a fact file and learn more about him and his work.

#### Then, find out about the work of the artist, Van Gogh

- Research Van Gogh's 'Starry Night' and describe it.
- Try to copy this amazing piece of artwork if you like.
- Create a fact file and learn more about him and his work.

Finally, think about and describe the similarities and differences between the work of the two artists. Look at the colours, painting styles, settings, and times of day.

### Geography Project Water : Plastic Pollution

Last term you started your topic on Water. You should have kept a water diary, researched The Water Cycle, learnt more about flooding and carried out your own investigation on states of matter. This term we are focusing more on 'Water Pollution'.

You are going to complete a project on the cause and effect of plastic pollution in our oceans. David Attenborough has some excellent documentaries about this.

<https://www.youtube.com/watch?v=xLx4fVsYdTl>

- Begin by watching the link above. (You can also type into YouTube 'Blue Planet-Plastic Pollution and you will be able to watch many more interesting videos.)
- Design an eye-catching front cover for your project on 'Plastic Pollution'
- Create a poster to show the kinds of litter most often found on beaches
- Research facts about plastic pollution in the ocean and write about the damage it can cause
- Write a leaflet educating people on how to stop plastic pollution
- Research plastic pollution in other countries
- Find out the definitions of these key words and make a mini glossary for your project: versatile, entangled, toxins, micro-plastics ,photodegrade, pollution and decompose
