

St. Richard's RC Primary School

Children's Mission Statement

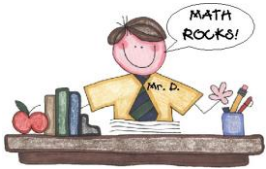

We give a warm welcome and respect all who come to St. Richard's School.

We encourage everybody to follow in Jesus' footsteps and to witness the values of God's Kingdom.

The Word of God is at the heart of our learning and we always try to do our best.

We look after the welfare of everybody by caring for each other, by sharing with each other and being friends with each other.

Through worship, we pray for each other, our families, our parish and the wider community.

So every day in the words of St. Richard we pray,
To see Thee more clearly,
Love thee more dearly,
And follow Thee more nearly.
