

# St. Richard's RC Primary School Newsletter 2022

Thursday 6<sup>th</sup> January 2022

## **HAPPY NEW YEAR!**

We hope that you had a very happy Christmas and we wish all our pupils, parents, carers, staff and governors a very happy and prosperous new year 2022. The spread of the Omicron variant of COVID-19 continues to challenge us all but the roll out of the national booster vaccination programme offers us hope for the not too distant future. Please get your COVID-19 vaccinations as soon as they are available to you. As a child-focused, cheerful and resilient community, I am certain that we can face and overcome the current challenges together this term, with the aim of keeping safe, keeping learning and keeping smiling.

## **TODAY IS THE FEAST OF THE EPIPHANY**

### *Loving Father, in the Epiphany*

*Your love was revealed to us in the form of a child.*

*As we kneel before the holy infant with the wise men and adore...*

*We offer the gold of our hearts – what is best in us;*

*We offer the frankincense of our prayers – for ourselves and each other;*

*We offer the oil of myrrh – a sign of our commitment to you.*

*Bless all those in our school community who came from near and from afar*

*In order to join our community, bless their families.*

*May we all be at home in the presence of the child Jesus. Amen.*

## **RECENT COVID-19 GUIDANCE UPDATES**

Since Wednesday 22<sup>nd</sup> December 2021, the 10-day self-isolation period for people who record a positive PCR test result for COVID-19 has been reduced to 7 days in most circumstances, unless you cannot test for any reason.

Individuals may now take LFD tests on day 6 and day 7 of their self-isolation period. Those who receive two negative test results are no longer required to complete 10 full days of self-isolation. The first test must be taken no earlier than day 6 of the self-isolation period and tests must be taken 24 hours apart. This also applies to children under 5, with LFD testing at parental or guardian discretion. If both these test results are negative, and you do not have a high temperature, you may end your self-isolation after the second negative test result and return to your education or childcare setting from day 7.

People who are fully vaccinated, or children and young people aged between 5 and 18 years and 6 months, identified as a close contact of someone with COVID-19, should take a LFD test every day for seven days and continue to attend their setting as normal, unless they have a positive test result or develop symptoms at any time.

Manchester City Council will send offers of places to those who applied on-time on National Offer Day, 19<sup>th</sup> April 2022.
