- Reading Explorers & The Classics

## Class Readers

- Read and Respond Scheme

## Phonic Scheme

- From Monday 24<sup>th</sup> January 2022 onwards, St Richard's will be implementing a new DfE validated **systematic synthetic phonics (SSP)** programme called 'Bug Club Phonics'.

Bug Club Phonics will ensure we have:

- a **consistent** approach to the teaching of systematic synthetic phonics
- **fidelity** (loyalty) to only one SSP
- a match between the phonics phase which children are working at and the reading book that they have.
