

## Class 3

We have been working on our racket and ball skills in Games lessons developing control and co-ordination.

We have been learning about the importance of a healthy lifestyle in Science. We did some fruit tasting and completed an 'eat well' plate.

Class 3 have enjoyed their Recorder lessons with Mr Leonard this half term. They have been practising new notes and rhythms.

We have also enjoyed developing travelling skills, jumps and balances in gymnastics. We also talked about the importance of exercise in Children's Mental Health Week.
