

Class 8

Class 8 celebrated the coronation of King Charles III by studying and comparing it to the coronation of Edgar the Anglo Saxon king (*The King of all England.*) We took inspiration from the stained glass window in Bath Abbey and created our own based upon both kings.

To celebrate the coronation of King Charles III we also wore colours that are represented on the Union Jack flag and had an afternoon tea party!

To celebrate Pentecost, the children in Class 8 created artwork using chalk and oil pastels inspired by the symbols of the Holy Spirit.

In History, the children in Class 8 have been learning all about the Anglo – Saxons. They enjoyed sketching and labelling what an Anglo – Saxon village would have looked like.
