

Child Protection at St Richard's RC Primary School

What is child protection about?

At St Richard's Primary School, all of the adults around you think that your health, safety and welfare are very important.

In our school we respect all of you and want to keep you safe and help to protect your rights

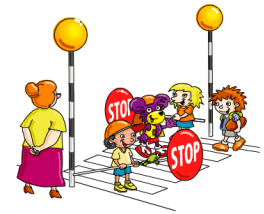

We do our best to help you to make good progress in your school work and to be happy.

We teach you how to recognise risks in different situations and how to protect yourselves and stay safe.

How will we try to protect you?

- We will train all the staff at St Richard's so that we can provide a safe environment for you to learn and play in.
- We want to ensure that you remain safe, at home as well as at school.
- We will make sure you know where to get help if you are worried or unhappy about something.

If you need to talk – we will listen

- You can talk to any adult in school - including your teacher and teaching assistant, Mr Murray, Mr Keyworth, Mrs Toal and Mrs Kelly.
- You can tell a friend and then go with your friend to tell an adult.

Don't keep it a secret if someone is:

- Upsetting you;
- Saying things to you that you do not like or which upsets you;
- Hitting you or hurting you in any way
- Taking your things;
- Sending unkind messages on the internet or to your phone.
