

## Class 3

Class 3 had a fantastic time completing a Science investigation. We were testing the suitability of different materials. We discovered that plastic was the best material to make a rain hat for Paddington.

We imagined that we were in Thomas Farriner's Bakery in 1666, baking delicious bread before The Great Fire of London broke out!

Class 3 really enjoyed making jam sandwiches. We did this activity to help us write a set of instructions using time connectives and imperative verbs.

We had a fabulous visit from Freshwater Theatre. We travelled back in time to 1666 and experienced what it would have been like to live through The Great Fire of London.
