

## Class 9

Tony North came into Class 9 to deliver an amazing workshop on Ancient Egyptian fashion. The children worked together to make examples of Ancient Egyptian jewellery and mirrors.

To make our Ancient Egyptian workshop even more exciting, two pupils got to dress up. They tried on clothing, make up, and even wigs!

In class 9 we have been working really hard on our Shakespeare performance alongside Mr Sullivan. We have been learning lines, creating formations and working on our stage presence.

In our Art lessons with Mrs Berry we have been working on our drawing and sketching skills. We have been using our class reader as inspiration for our Art project.
