

Class 8

In our Art lessons, we have been studying the work of William Morris. We have practised using different media such as pencil, crayon and pastels to sketch and shade floral patterns.

In our Religion lessons, we have been learning about our family and community. We have been looking at ways that we are all unique and diverse within our local community and the kingdom of God.

In our History lessons, we have been learning about the Romans. We have studied Roman and Celtic metal art and created our own foil art replica along with Roman swords.

We have also been learning about the Roman army uniform, how weapons were used in combat, formations that the Romans used and what life was like as a Roman soldier.
