

Class R1

This term, our topic is All About Me! We used mirrors to see what we look like and created plate faces! We also talked about our families and the communities that we are a part of.

We have been reading The Kitchen Disco! We made a list of all the healthy fruit that we liked and did a food tasting session. We really enjoyed trying the different fruits!

As part of our topic, we have been exploring people who help us in our community! We had lots of different costumes in our role play area and we pretended to help our friends!

In R.E. we have been looking at how we are part of one big community. We created a globe using our fingerprints and then each created a little person to go around.
