

Class R2

This half term our topic has been all about me. We started by looking at our faces in the mirror and choosing the colours we would need. We created our own self portraits and displayed them!

We talked about our local environment and things we see on our way to school. The children drew their own maps of things they saw and we had a go at labelling these.

We talked about who was special to us and who was in our family. We drew pictures of our families and had a go at writing our names. We displayed these in the classroom and looked at our friends.

In RE we have been learning about how we are all special to God and we are all unique. We have made portraits of ourselves and talk about our special names that God gave us.
