

Class 10

Two pupils in Class 10 got to dress up as Ancient Egyptians in our study of Ancient Egyptian culture, clothing, and jewellery. They even got to wear traditional make-up!

Mr. Tony North came into Class 10 to deliver a workshop on Ancient Egypt. Children had the opportunity to create modern examples of Ancient Egyptian jewellery.

To help understand the difference between direct and reported speech, Class 10 completed a drama activity where they interviewed people who had seen the Iron Man.

Class 10 became Ancient Egyptian embalmers for the day. Don't worry, we were able to embalm tomatoes instead of dead bodies!
