

Meet our new Caritas Ambassadors for 2023-2024

Our Caritas Ambassador Team is made up of nine Year 6 pupils (three from each Year 6 class) who each volunteered for this special mission. It is their role to promote social change within our school and local community. Our Caritas Ambassadors will also be helping to organise the school's charitable events over the course of the year.

'I want to be a Caritas Ambassador because to help the homeless and less fortunate because God blesses those people who help the less fortunate. Also, before I leave this school, I want to represent St Richard's and be proud of my achievements I will have gained. Being an Ambassador will also help me to be more responsible in my future life at high school.' Haniya

'I volunteered to be a Caritas Ambassador because I know that being an ambassador means that I can help those who are poor and needy and I can show the younger children how we can give to charity. I like being an ambassador because I know I am doing things that God will reward us for and it makes me feel good.' Aneesa

'I volunteered to be a Caritas Ambassador because I wanted to help people in need. Also we can help the homeless because it is not good to see people sleeping on the streets.' Murtaza
