

Class 1

In DT we made a Jack/Jill in the box after finishing our topic on Levers and Sliders. Here are some pictures of our hard work.

In our Geography topic this term we are looking at our local area. We took a walk around the area surrounding our school. Some of us wore wellies but luckily it didn't rain.

In art our features artist is Vincent Van Gogh. We studied his Mulberry Tree painting that also tied into our Geography topic of Autumn. Here are examples of collages we made.

During play time we explore the flower beds and find little creatures and signs of Autumn. Today we found a baby slug which the girls fed fresh leaves.
