

Class 5

We have been writing recounts in English and spent some time during computing producing PowerPoints to show off all the facts we have learnt!

During an art lesson this term we created some Kandinsky inspired piece of work and the results were fantastic.

For Caritas in Action, this half term we looked at how the different people in our school community help to make it a better place.

We have been learning about the Bronze Age to Iron Age and researching hillforts in History.
