

# Reception 1

We had so much fun being fairy tale explorers with Freshwater Theatre!  
We listened to different stories and then made up our own!

We went on a walk to our local park! We looked at all the different features of the area we live in and had a play in the playground!

We had lots of fun on our snow day!  
We talked about what the snow felt like under our feet. We then got to explore and play!

In R.E., we have been learning about the Presentation of Jesus at the temple. We dressed up and re-enacted the story.
