

## Reception 2

We had lots of fun practicing some CVC words using phase 2 phonics.

We read the word and flipped it like a pancake!

We enjoyed the surprise snow and learned about seasonal changes and changes in materials (snow melting)

We went for a walk in Crowcroft Park to explore our local surroundings. We saw a post box, school, cars, houses, and the park!

During children's mental health week we practiced mindfulness, yoga, and had a spa day relaxing with cucumbers on our eyes.
