

Class 1

Our topic in DT this term is Playground Structures. After our learning we planned either a slide, swing or seesaw. Amanda visited us and helped us create our designs.

Here are some pictures of us with our finished structures.

We celebrated World Book Day in this term. We had a great day dressing up and discussing our favourite books. There was also a poster competition. Nylah was our class winner.

We had a scavenger hunt for World Book Day. We had to hunt through books and find special characters and places. We hunted in our reading corner first.
