

Class 13

World Book Day 2024

We are all dressed up as book characters, and we had a great day of fun making crafts indoors and doing a Harry Potter quiz trail outdoors.

Look at our amazing book scenes that we created including: 'Jane Eyre', 'Little Women', 'Daisy & the Trouble with Chocolate' and 'Harry Potter'.

We used Geoboards to practise 2D shapes, co-ordinates, reflections and translations in maths.

In Class 13, we love maths games, and we regularly play them to improve our maths fluency and reasoning. Here we are playing 'Percentages, Decimals and Fractions.'
