

## Year 1 C2

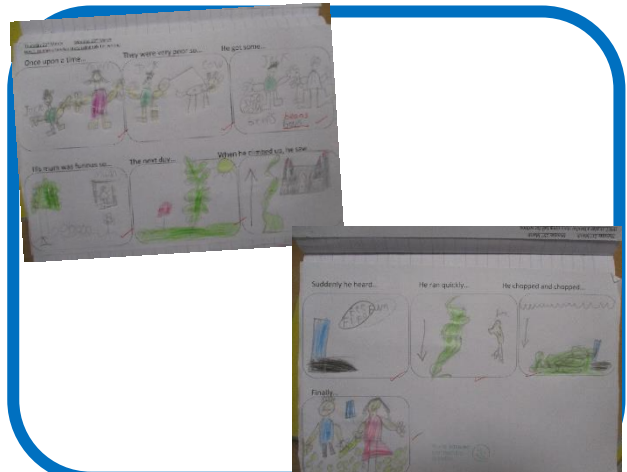

We have been learning how to count by 10's! We have learnt a new song and dance to help us remember.

In Design and Technology, we had Amanda in to help us create our playground structures!

We made palm leaves when we were learning all about the Easter story.

In our Literacy lessons we have been looking at the story of Jack and the Beanstalk. We used Talk for Writing to plan out our story for our ready steady write.
