

Reception 2

In maths we have been exploring the composition of numbers to 10. We used blocks to make each number in different ways.

We have been looking at non-fiction books and how they can help us. We used different books about plants to find information for our fact files.

We have been celebrating Lent by praying daily and thinking of how we can help others.

After reading 'The Very Hungry Caterpillar' we decided to look after our very own caterpillars. We have watched them grow and turn into chrysalis' and can't wait to see them turn into butterflies!
