

R1

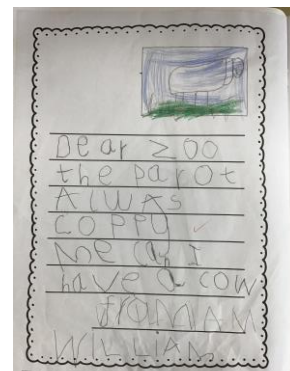

We became Dinosaur experts this term! We learnt about dinosaurs, explored dinosaur fossils, and then made our own!

We went to Father Dever's Garden to explore signs of Summer. We sat in the lovely sunshine and made observational drawings.

We celebrated Pentecost by making flame crowns and streamers. We then walked around the school to share the good news!

One of our stories this term was Dear Zoo. We wrote our own letters to the zoo, asking for a pet!
