

Class 13

In our history lessons, we learned all about **Greek warfare**. We made helmets and shields, learned how to form a **phalanx**, and then re-enacted the **Battle of Marathon** in the playground.

'**People in Action**' was the focus of our art lessons. We explored body positions, drew a range of sporting figures and made **clay tiles**.

In our DT lessons, we explored a range of savoury ingredients, before making our own **savoury muffins**. They were a great success!

We ended Year 6 with a fantastic trip to the **Anderton Centre** where we participated in a range of fun outdoor activities: **tree climbing**, **bush crafts** and **canoeing**. It was a wonderful day!
