

Class 5

We used kitchen scales to weigh various objects around our classroom. We recorded our results, in grams and kilograms, on our worksheets.

In our computer lesson with Miss Copley we made our own publisher document 'Being Kind Online'. We used emojis from the internet and changed the font and colour of our information.

We have been doing an art project with Mr Hall. He has taught us all about shapes, patterns and shading.

We had our sports day at Belle Vue Sports Centre this half term. We enjoyed javelin, sprinting, long jump, hoops and relay races. We had a great time!
