

Reception 2

Reception enjoyed taking part in lots of activities for Sports Day. We did standing long jump, obstacles course, sprinting and the bean bag toss.

We have been using our gross and fine motor skills to build very long bridges, then we used our maths skills to measure and compare.

We have been extending our knowledge on odd & even numbers; sorting Numicon, numerals, and writing a list.

Getting ready for summer we have been talking about trips to the beach. We explored sand, shells, and then wrote our favourite things to do at the beach.
