

## R1 - Summer 2

For topic, we had a look at our school in more detail. We went on a tour to new places and recorded it on a plan of the school.

We had a fantastic Sports Day! The sun was shining, and we took turns with the beanbag throw, sprinting, long jump and obstacle course.

For our topic, All Around the World, we have been learning about Brazil! We even had our own carnival, we made crowns and flags and listened to some carnival music!

Everywhere Bear has been so excited for his holidays! We loved helping him pack and get ready! We pretended we were on the plane with him!
