

Class 1

Mrs Marshall came to our classroom to talk all about Belle Vue. When she was a little girl she remembered that there was a Zoo and a funfair there. She showed us lots of photos.

We have Miss Begum on a Friday and we had circle time to introduce ourselves to her. When we held her little friend Oslo we could speak. We found out she loved burgers and Manchester United.

In religion we painted our self portraits to show how God made each and every one of us special and unique.

In PHSE we read the story of the Rainbow Fish. We learned that we should be kind, helpful and share in order to be happy. We painted our fish and displayed them.
