

Class 2

In ICT, we created animations of an elephant walking across a tightrope. This was our design phase of our moving pictures topic.

For National Poetry Day, we learned the poem 'Song of the Train' by David Accord which is linked to our performance poetry. We then performed the beginning of it to our friends.

In Science, we have been learning all about our 5 senses. We conducted a taste investigation and tried some different types of food that were sweet, savoury, sour, bitter and salty.

Our moving pictures for our Design and Technology topic.
