

## Class 4

Freshwater Theatre came into school to do a drama workshop about The Great Fire of London. We loved acting out the events of the fire and pretending to be Samule Pepys, The London Mayor and Sir Chrstopher Wren.

We completed a BBC Sounds Dance Unit linked to The Great Fire of London. We enjoyed travelling back in time to 1666 and imagining the movements that people made in an attempt to extinguish the fire.

Class 4 really enjoyed making jam sandwiches. We did this activity to help us write a set of instructions using time connectives and imperative verbs ... and the sandwiches were delicious!

We completed a wonderful DT workshop with Mrs Morrow. We looked at the features of vehicles and designed our own. We made axels and wheels and used paper and card to complete our own unique vehicle.
