

Reception 1

We celebrated Black History Month this term and learnt about Simone Biles. We became Gymnasts and made our own Olympic medals. We talked about the importance of looking after our mental health.

We looked at the story 'Kitchen Disco' and talked about healthy foods that we like and dislike. We then got to try different fruits and describe how they tasted.

We have been learning about people who help us in our community. We talked about who helps us at school and at home and then we dressed up as different people who help us.

Our topic this term is All About Me. We drew self-portraits of ourselves and then made our own picture frames using lolly sticks or pasta.
