

Reception 2

In Reception 2 we celebrated Black History Month by finding out about Simone Biles. We talked about how moving our bodies helps our mental health and we also looked at her amazing achievements.

Linking to our story 'Kitchen Disco' we all took part in food tasting. We described different tastes and discussed our likes and dislikes.

We have been working on our fine motor skills in class to help us get ready for writing. We have been looking at fun and exciting ways we can mark make and write our names.

To celebrate Our Lady's Birthday we made Birthday cards for Mary. We talked about the things we know about Mary and why she is special to us.
