

Autumn 2

In our food technology lessons, we learned how to make Mexican Bean Burgers! We made our own patties using ingredients such as kidney beans, salsa and chilli. We grilled them in the oven and they tasted delicious!

In Religion, we celebrated Gaudette Sunday by creating artwork to represent our interpretation of biblical scripture (Philippians 4: 4-9)

We joined our school in raising money for 'Save The Children' by wearing our Christmas jumpers and donating £1. We enjoyed a delicious Christmas dinner too!

We have linked our ICT, English and Geography learning together to create a leaflet on Publisher including a non-chronological report about the Arctic and Antarctic.
