

Class 9

In Religion, we have been exploring Advent and how we can wait purposefully. We made our own hidden meaning boxes to display the true meaning of Advent and what it means to wait purposefully.

Class 9 performed their own version of Coriolanus at the Contact Theatre as part of the Shakespeare Schools Festival.

Year 5 visited St. Peter's High School to take part in a solids, liquids and gases Science workshop.

In our Stewardship Caritas in Action topic, we wrote persuasive speeches on how to reduce our carbon footprint and made our own Laudato Si pledges.
