

Reception 1

This term, we have been exploring signs of Autumn. We went on an Autumn Walk around Father Dever's garden and used a checklist to see if we could spot any brown and orange leaves, sticks, plants or animals.

We made chocolate sparklers to celebrate Bonfire Night, we had to mix the chocolate and add the sprinkles. We then wrote captions to say how we made them using our phonics knowledge.

We have been learning about 2D shapes! We looked at properties of circles, triangles, squares and rectangles. We then went on a shape hunt to find shapes in the environment.

We have been learning all about the Christmas Story this term! We learnt, practised and performed our own Nativity show for our parents to watch!
