Dear Parents/Carers,

Please find below an overview of our Key Stage 2 SATs results at St Richard's this year.

Our Key Stage 2 SATs results were AMAZING this year and our Year 6 pupils and their teaching staff did us all proud with their consistent effort and application in achieving these FANTASTIC test results:

MATHEMATICS 84% - Meeting expectations with 43% High Attaining (the national average at expected this year was 74%)

READING 93% - Meeting expectations with 52% High Attaining (the national average at expected this year was 75%)

GPS 91% - Meeting expectations with 64% High Attaining (the national average at expected this year was 73%)

WRITING 79% - Meeting expectations with 16% High Attaining (the national average at expected this year was 72%)

Our Year 6 children meeting expectations in Reading, Writing and Mathematics combined is 75%. This is a GREAT result, and is considerably higher than the national average this year which is 62%. 13% of our pupils achieved high attaining in all three subjects.

For the Year 4 Multiplication Tables Check there was no pass mark for this test, made up of 25 marks.

73% of our Year 4 pupils scored either 24 or 25, with over half at 59% scoring full marks. A superb achievement!

We thought that you would like to know that our School's Average Multiplication Tables Check Mark was 23.0

The National Average Multiplication Tables Check Mark in 2024 was 20.6

73% of the children in Year 1 achieved the pass mark in the Phonics screening check and again their teachers are very pleased with their progress.

I would like to thank all the class teachers, intervention teachers, teaching assistants and pupils for all their hard work and dedication in making these very pleasing whole-school results possible. And of course, the parents, for the continued support you give with your child's development and education.

Many thanks and very best wishes,

MR. J. KEYWORTH

Deputy Headteacher
